Custom Rubber Wristbands – Terms and Conditions/Order Agreement

BRACELET QUALITY

Your bracelet will be made of seamless 100% silicone rubber, the same quality as the popular "LIVESTRONG" bracelets.

MINIMUM QUANTITY

The minimum quantity for an order is 500 pieces per item. An item is a bracelet design of a single size and debossed or printed message. If your order includes 2 or more bracelet sizes or messages, each design must meet minimum order requirements.

YOUR MESSAGE

You can deboss or print a message of up to 12 characters (counting spaces between characters). An extended message is optional (13 to 25 characters) for an additional mold fee. Your message can include letters, numbers, or an image (shape or logo). Debossing means your message will be engraved into the bracelet. Printed bands are silkscreen printed on the wristband. You can specify the font and letter format.

COLOR SELECTION

Standard pricing includes a 2 color bracelet. There is an additional charge for bracelets with 3 or more colors. There are a variety of choices, such as striped, camouflage style, marbled or tie-dye style. You must provide PMS colors by number. You can select your bracelet color from a PMS color chart, either available on our web site or sent to you by email. The Pantone Matching System (PMS) is a system shared world wide by the graphic arts industry. You should note that every computer monitor varies slightly in color. To ensure an accurate PMS match, you should consult an actual PMS color swatch book.

SIZE SELECTION

Select from four sizes: 8", 7", 6.5" and 6" (circumference).

YOUR DESIGN/ARTWORK REQUIREMENTS

If you are submitting a logo or image to be debossed or printed, the file must be one of these types: .jpg, .doc (Word) or .ai (Adobe Illustrator). If you are not able to submit the file in one of these file types there may be an additional charge (charge varies depending on the complexity of your artwork).

MOLD

To make your bracelets a mold is designed and created. The standard mold fee includes 1 to 12 characters. For an extended message (13 to 25 characters) and additional mold fee will apply. Each mold is designed for one item, a bracelet of a specific size and message. If your order includes 2 or more bracelet sizes or messages, each design will require a mold and separate mold fees will apply. If your order is for a bracelet that does not require a mold (nothing debossed) there is no mold charge.

PACKAGING

Your bracelets can be packaged individually in a polybag for an additional charge. Orders under 5000 pieces will be packaged in a standard polybag with a 1-color 1-line message imprint up to 25 character spaces. Orders of 5000 pieces or more can include a 2 color header with one line message imprint. If your order requires packaging, an additional 35 days processing time will be required to complete your order.

PRODUCTION & DELIVERY TIME

Average delivery time is within 4 weeks from design approval and deposit payment. For debossed wristbands: A proof of your mold design will be sent to you via email or fax within 3-5 business days. For printed wristbands: A digital image of your design will be sent to you by email within 3-5 business days. Once you approve the proof mold or design, and deposit is received we can begin processing your order. A photo image of the bracelet will also be sent for color approval prior to creating your bracelets. Actual delivery time varies depending on your order size and our production schedule. If your bracelet is ordered with polybag packaging an additional 35 business days will be required. Your order will be shipped via standard Air Freight or UPS Ground. Expedited shipping is available, rates vary depending on the order size, delivery location and service selected and you will be responsible for the actual charges.

REORDERING

You can reorder bracelets with an existing mold/design within 12 months from your previous order.
